

Mitchell, Brian

To: Electolux Facility File IAD047055140

I (Brian Mitchell) spoke with Jefferson City Iowa Water Operator Tom Schilling (515-370-2605) on October 6, 2016. Tom told me that everyone on Adams Street and on 135th/235th all the way to the regional airfield are all on city water, no private drinking water wells.
